GENERAL LAWS, CHAPTER 59, AS AMENDED

[EXTRACT.]

The assessors shall make, on the books furnished under section forty-five, a list of the valuation and the assessment thereon, in the following manner: In each column provided in the book or books so furnished shall be entered the valuation of that portion, if any, of the personal property of each person and corporation, indicated by the heading thereof. The total amount of the taxable personal property shall be shown, but without other detail or specification than is provided for herein. And if any person shall refuse or neglect, upon demand by you made and for fourteen days after such demand, to pay to you the sum he is assessed in said list, herewith committed to you with this warrant, you are to levy and collect the said sum or tax, or so much thereof as shall not be abated agreeably to law, by distress or seizure and sale of the goods or chattels of the person so assessed sufficient to satisfy and pay the amount due for such tax and interest and all fees and charges of keeping and selling the same, saving and excepting the tools or implements necessary for the trade or occupation of the said person so assessed; beasts of the plough necessary for the cultivation of his improved land; military arms, uniforms and equipments; utensils for housekeeping necessary for upholding life; and bedding and apparel necessary for the said person so assessed and his family. And the goods and chattels so distrained by you, you are required to keep at the cost and charge of the owner for four days at least and within seven days after the seizure to sell the same at public auction, for the payment of the said amount due, having first posted up a notice of the sale, in some public place in the city or town, where found, forty-eight hours at least before the sale; provided, however, that you may, if you shall see fit, once adjourn said sale for a time not exceeding three days, in which case you shall forthwith post up a notice of such adjournment and of the time and place of sale. And if said distress shall be sold for more than the said amount due you shall return the surplus to the owner of such goods and chattels upon demand, with an account in writing of the sale and charges. And if you cannot find sufficient goods and chattels belonging to the person assessed whereon to make distress, you shall take the body of the said person and him commit to one of the common jails in the county in which you shall arrest him, there to remain until he shall pay said tax, interest, charges, and fees, and for an arrest, one dollar and actual travelling expenses incurred in making such arrest, or until he shall be discharged therefrom by due course of law; *provided, however,* that you may at your discretion, after the service of this warrant, allow such person to go free for a period not exceeding fourteen days after said service, at which time if said person does not pay his tax with all fees and charges due thereon including one dollar for service of this warrant and five cents for each mile travelled by you in the performance of this collection you shall then arrest said person on this warrant and commit him to jail as aforesaid. But if you shall commit such person for the non-payment of a poll tax only he shall not be detained in jail more than seven days. And in case you shall commit said person so assessed to jail by virtue of this warrant, you are required to give the keeper of the jail wherein he may be committed a certificate under your hand, setting forth that for want of goods and chattels of the said person whereof to make distress, you have taken his body and committed him to jail as aforesaid; and also setting forth the amount said person is to pay as his tax, interest, charges, fees and travelling expenses as provided by statute.
